

A few pages of pictures from our first Club indoor flying meeting held in the Village Hall at Moulton on Friday 4th February

Colin Dews

I believe that it was a fantastic evening enjoyed by all who attended and I hope that we can repeat the event on a regular basis.

Daniel Nowakowski flying his Spirit CX Century UK Helicopter

Colin Ashman & Daniel watching Anthony Duffin flying his model

Garry Brown, one of the organisers of the event flying one of the new S032 helicopters that the Club had recently obtained for selling to Club members.

Robert & John Hills concentrating on John's Helicopter flight.

David Jarvis with his unusual helicopter

Mike Cox with his small fixed wing indoor flyer that seemed to have a desire to only turn Left

An enthusiastic young visitor had a go at flying one of the Club's S032 helicopters and he did remarkably well

A view inside the Village Hall at Moulton showing the huge area available for flying indoor models. Also shown are Colin Ashman's Platforms and Hoops that he kindly made to make the flying a little more exciting for the experts.

Gary Brown & Eric Papworth in deep discussion

Peter Loxhan examining Noel Starling's unusual Fixed wing model that flew well after some ballast was added to the nose.
